Reason for Referral

MSP Funded Services:

Psychiatric Diagnosis and Treatment recommendations

We are an interdisciplinary clinic and patients should be prepared to pay a fee for services not covered by MSP including psychology, missed sessions and forms:

Non-MSP Services:

Dialectical Behavior Therapy

Individual Psychotherapy

Group Therapy

Anger

Mindfulness Based Cognitive Therapy

Parent/Caregiver

Note: additional form required see

OCD

vanpsych.org/mbct

What are your primary concerns?

Please include any recent lab work, current medications and any psychiatric consultations etc.

Please note that we are a small clinic. We try to keep our wait-lists at a reasonable level and do not have the capacity to accept all referrals. We will try to respond as soon as possible to referral request and whether we will be able to see your patient.
